Summer Meal Program

Summer should be a break from study, not good nutrition. Thanks to the USDA Summer Food Service Program, healthy meals during the summer are available at no cost to all children 18 and younger. This program will operate from June 9 through August 8. To participate, children may simply show up at any participating program site as listed below. Adults 19 years and older may eat at any of these locations at a cost of \$1.75 (breakfast) and \$3.00 (lunch).

Help your kids get the nutrition they need this summer to be successful next school year. If you have questions, please contact the Nutrition Services Office at 972/708-2328.
